This will bring the total to 81,912 rentable square feet of office space for the DCFS, at 425 Shatto Place, Los Angeles (Premises), at an initial annual rent of \$1,763,711 which is 50 percent Federal and 24.49 percent State subvention funded, and 25.51 percent net County cost. PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The DCFS headquarters has been housed in the building since 1985. The proposed Amendment No. 3 to Lease No. 72058 will allow the County of Los Angeles (County) to extend the term of the lease for seven years and expand into an additional 1,156 rentable square feet of office space. Under Amendment No. 2, DCFS originally occupied 53,180 rentable square feet of space on floors one, two, and six and added new space on the second, third, and fourth floors in June 2003, for a total of 80,756 rentable square feet.

The additional 1,156 rentable square feet of office space, Suite 303, will be used to accommodate DCFS Internal Affairs Division. The Internal Affairs Division is currently located in a suite with the Bureau of Resources deputy director and staff. This additional space will allow the Internal Affairs Division to maintain confidentiality of investigation, as recommended by the Auditor-Controller.

Retaining the Premises with existing and proposed improvements, including the furniture and parking, will provide continued administrative office space for DCFS. The Lessor, at its sole cost, will provide new carpeting and paint, will assume the remaining communication room costs, and will provide a non-reimbursable Tenant Improvement allowance of \$57,000 for DCFS refurbishment of conference rooms, reception area, and employee lounge. Constructing new and extensive Tenant Improvements (TI), purchasing new furniture, and installing new telephone and data at another location would increase costs significantly while retention of the existing improved space is a more cost-effective alternative and allows DCFS to meet its budget at this time.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we maximize the effectiveness of the County's processes, structure, and operations to support timely delivery of customer-orientated and efficient public services (Goal 1) and enrich lives through integrated, cost-effective and client-centered supportive services (Goal 2). In this case we have consolidated multiple departmental functions in accordance with the Strategic Asset Management principles, as further outlined in Attachment A.

FISCAL IMPACT/FINANCING

The annual base rent cost for the subject facility will be \$1,763,711 for year one and two, and will be adjusted by 1.4 percent for the third year and by the Consumer Price Index (CPI) thereafter, with a 2.5 percent cap in each of the fourth and fifth years, and a 3.0 percent cap thereafter.

425 Shatto Place	EXISTING LEASE	AMENDED LEASE	CHANGES

Annual Base Rent	\$1,718,592 (\$21.28/sq.ft.)	\$1,763,711 (\$21.53/sq.ft.)	+\$45,119

Rental Adjustment	Annual CPI with a cap of 3 percent	Third year increase of 1.4 percent annual CPI increase after 3 rd year with a 2.5 percent cap in each of the fourth and fifth years, and a 3.0 percent cap thereafter	0.5 percent

Sufficient funding for the proposed lease amendment is included in the 2009-10 Rent Expense budget and will be charged back to DCFS. Sufficient funding is available in DCFS operating budget to cover the proposed lease costs.

The annual lease cost for DCFS is 50 percent Federal and 24.49 percent State subvention funded and 25.51 percent net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Due to the current budget constraints, DCFS can afford only to maintain a lease at the existing facility and at the rental rates negotiated rather than relocating to a 93,000 square foot facility as justified by their needs. The amended lease contains the following provisions:

- Seven-year lease renewal with an option for an additional five-year term. The new base rent during the first year is \$1,763,711.
- The lease continues on a full-service basis and the Lessor is responsible for all interior and exterior maintenance and utility costs.
- The Lessor will provide parking for up to 284 vehicles, included in the rental rate.
- Lessor, at its sole expense, will install new carpet, paint the interior walls, and provide a non-reimbursable TI allowance of \$57,000, which will be used by DCFS for refurbishment of conference rooms, reception area and the employee lunchroom.
- Lessor will assume electrical costs for HVAC system in the communication rooms on the second and sixth floors.
- A cancellation provision is in the lease allowing the County to cancel the lease anytime after the 60th month of the extension period upon 180 days prior written notice.

The Chief Executive Office (CEO) Real Estate staff surveyed the service area to determine the market rate of comparable sites. Based upon said survey, staff has established that the base rental range including parking and TI for similar property is between \$22 and \$26 per square foot per year full-service. Thus, the base annual rent of \$21.53 per square foot for the base lease cost, is at the low end of market for this area. Attachment B shows County-owned and leased facilities within the search area for these programs and none are available to house these programs.

The Department of Public Works has inspected this facility and has reported that the building meets current standards for the County's occupancy.

It is not feasible to house a child care center at the building. However, there are several private child care centers available within a three-mile radius of the subject location.

NEGATIVE DECLARATION/ENVIRONMENTAL IMPACT REPORT

The CEO has made an initial study of environmental factors and has concluded that this project is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to Class 1 (r), of the Environmental Document Reporting Procedures and Guidelines adopted by your Board per Section 15301 of the State CEQA Guidelines (Existing Facilities).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed Amendment No. 3 to Lease No. 72058 will allow DCFS to remain in the headquarters space. DCFS concurs with this recommendation.

CONCLUSION

It is requested that the Executive Officer, Board of Supervisors return two originals of the executed Amendment No. 3 to Lease No. 72058, two certified copies of the Minute Order and the adopted, stamped Board letter to the CEO, Real Estate Division at 222 South Hill Street, 4th Floor, Los Angeles, CA 90012 for further processing.

Respectfully submitted,

WILLIAM T FUJIOKA

6. Paragraphs 32, 33 and 34 to the Lease are hereby added to the Lease as follows:

32. SOLICITATION OF CONSIDERATION It is improper for any County officer, employee or agent to solicit consideration, in any form, from a lessor with the implication, suggestion or statement that the lessor's provision of the consideration may secure more favorable treatment for the lessor in the award of the lease or that the lessor's failure to provide such consideration may negatively affect the County's consideration of the lessor's submission. A lessor shall not offer or give, either; directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of a lease.

Lessor shall immediately report any attempt by a County office, employee or agent to solicit such improper consideration. 33. LIMITATION OF AUTHORITY

Only the Board of Supervisors has the authority, by formally approving and/or executing this Lease, to bind the County to the terms included herein. Lessor understands that no material terms of this Lease may be altered or deleted, nor may any new material terms be added to this Lease, without the express written approval of the Board of Supervisors, either through an amendment to the Lease or by other formal Board action. In consideration for the time and expense that Lessee will invest including but not limited to preliminary space planning, legal review, and preparation and noticing for presentation to the County Real Estate Management Commission (if applicable) in reliance on Lessor's covenant to lease to Lessee under the terms of this lease offer, the Lessor irrevocably promises to keep this offer open until August 31, 2009.

Total 81,912 square feet		

Upon the addition of Suite 303 to the Premises, the parties shall promptly memorialize such fact by completing and signing a memorandum in the form attached hereto as Exhibit D-2 and incorporated herein by this reference.

Lessor's Improvements. Prior to tendering to Lessee possession of Suite 303, Lessor shall first construct in Suite 303, at Lessor's expense, improvements comparable in type and quality (except as otherwise set forth in Amendment No. 3) to the improvements constructed by Lessor for Lessee in certain space in the third floor pursuant to Section 26 of the original Lease. Such work for the suite shall be performed in accordance with the outline specifications attached hereto as Exhibit E-1. If Lessee exercises its Option under Section 1(B) of the Lease, Lessee shall develop a final partition plan for Suite 303 and deliver it to Lessor no later than thirty days after its notice of intent to exercise its option of Suite 303. The plan for Suite 303 (Suite 303 Partition Plan) shall be consistent with this Section 7 and shall be subject to Lessor's reasonable approval, which shall not be unreasonably withheld. The Suite 303 Partition Plan as approved by Lessor shall be attached to this Lease as Exhibit E-4.

Lessor shall commence the improvements for Suite 303 by applying for a building permit to construct the improvements within 30 days after execution of this Amendment No. 3. Lessor shall construct the improvements in accordance with the following provisions from Section 26 of the original Lease, as modified for this transaction:

(A) Within 10 days after the commencement of such build-out for a given suite, Lessor shall advise Lessee in writing of the estimated time of completion of such build-out if it is beyond the four month estimate set forth on the previous page.

The improved Suite 303 shall meet all applicable City, County, State and Federal building codes, regulations and ordinances required for beneficial occupancy. Any work, including construction, that Lessor must undertake to obtain the necessary jurisdictional approvals for occupancy shall be at Lessor's sole cost and expense.

(B) Completion of the improvements to Suite 303 may be delayed by:

(1) Reasonable acts or omissions of Lessee or of any employees or agents of Lessee (including change orders in the work), or

(2) Any act of God which Lessor could not have reasonably foreseen and provided for, or

(3) Any strikes, boycotts or like obstructive acts by employees or labor organizations which Lessor cannot overcome with reasonable effort and could not reasonably have foreseen and provided for, or

(4) Any war or declaration of a state of national emergency, or

(5) Unavailability of labor or materials or the imposition by government action or authority of restrictions upon the procurement of labor or materials necessary for the completion of the suite in question.

(C) As to Suite 303, if Lessor fails to obtain the building permit for the improvements in a reasonable time, taking all factors into consideration, or if said improvements have not been substantially completed within one-hundred eighty (180) days from the estimated time of completion set forth in this Section 7, which period shall be extended for a reasonable time for delays enumerated in items (B) (1) through (5) above, then Lessee may, at its option, cancel the Lease as to Suite 303 (but not the entire Lease nor the balance of this Amendment No. 3) upon thirty (30) days written notice to Lessor unless the work is completed within such 30-day period. In the event of any such cancellation as to Suite 303, the provisions in this Amendment No. 3 regarding the Base Rent, improvement allowances, and parking spaces shall be deemed adjusted to delete the portion of such items attributable to the cancelled space, as determined by Lessor in its reasonable discretion.

Lessor's improvement work for Suite 303 shall be deemed "Substantially completed" for purposes of this Amendment No. 3 when the work to be completed by Lessor has been completed to such a degree that it can be occupied for the purpose leased (general office use), and Lessor has obtained a final or temporary certificate of occupancy, or final inspection approval, or any other comparable approval by applicable governmental authorities for the legal occupancy of the suite. "Substantial Completion"

shall not require the completion of "punch list" items, but Lessor agrees to diligently pursue the completion of such items.

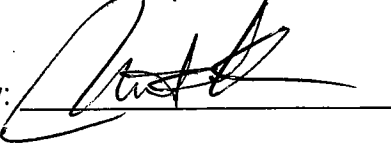

Lessee shall provide, install and maintain, at Lessee's expense, its own telecommunications and data system for Suite 303 and Lessor shall have no obligation or expense in connection with such system.

8. If there are any inconsistencies, variances or differences between any provision of the Lease and a provision of this Amendment No. 3, the provisions of this Amendment No. 3 will prevail and control. The Lease, as amended, is ratified, confirmed and approved. The terms "include" and "including" are not limiting and include the concept of "including but not limited to".

IN WITNESS WHEREOF, the Lessor has executed this Amendment No. 3 or caused it to be executed, and the County of Los Angeles, by order of its Board of Supervisors, has caused this Amendment No. 3 to be executed on its behalf by the Chair of said Board and attested by the Clerk thereof the day, month, and year first above written.
